

Agenda – REA Ad-Hoc EV Forum member meeting

Thursday, 10th September 2020 - 10:00am to 12:00pm

Final for distribution to REA members

Location: digital meeting – link via GoToMeeting will be circulated to registered members.

Pre-reading

- REA July 2020 EV Forum newsletter ([link here](#))
- REA Rapid Charging Fund letter to Government ([link here](#))
- REA Consumer Experience of Charging pre-consultation submission to Government ([link here](#))
- REA's updated draft response to OLEV's consultation on phasing out the sale of new petrol and diesel cars and vans ([link here](#))
- REA terms of response to the BSI PAS 1878 consultation ([link here](#))
- REA's response to the Transport Decarbonisation Plan – Call for Ideas ([link here](#))
- Policy Exchange's Zero Emission Vehicle Mandate report ([link here](#))

Note on the Chair

Tanya Sinclair, the elected Chair of the EV Forum, is now on maternity leave. In her absence, Clive Southwell of Enel X (who is the Chair of the interoperability working group), has agreed to stand in until her return.

Draft agenda

The REA will present to members on key conversations with Government. The session will be moderated by Clive Southwell of Enel X, the acting REA EV Forum Chair.

Active discussion and input from members welcome, which will inform our future policy positions.

10:00am – meeting start

- Welcomes and introduction to ongoing Government workstreams (12 minutes)
- 203X Phase Out and Transport Decarbonisation Plan Consultations (discussion and overview of REA positions) (15 mins)
- Comprehensive Spending Review & REA input on the future of home and workplace grants (discussion) (15 mins)
- Rapid Charging Fund & REA letter (presentation and review of progress) (5 mins)
- Forthcoming OLEV Consumer Offer / Consumer Experience consultation (review of discussions with Government) (7 mins)
- REA roaming position (quick update on development of position papers, separate meeting to be held on this) (10 mins)
- BSI PAS 1878 draft (presentation & discussion) (10 mins)
- Grid connections (presentation & discussion on forthcoming paper) (5 mins)
- VAT on public EV charging infrastructure (call for input)
- Presentation from Policy Exchange on their new Zero Emission Vehicle Mandate report (15 minutes)
- AOB

12:00pm – meeting close
