

Draft Agenda – REA EV Forum member meeting

Meeting Date: Thursday, 26th November 2020 – 12:30pm to 2:30pm

Draft Agenda - V1 for distribution to REA members

Location: digital meeting – link via GoToMeeting will be circulated to registered members.

Pre-reading

- REA October 2020 EV Forum newsletter (link [here](#))
- HM Treasury's Comprehensive Spending Review outputs (due out on the 25th November 2020)

Draft agenda

The REA will present to members on key conversations with Government. The session will be moderated by Clive Southwell of Enel X, the acting REA EV Forum Chair.

Active discussion and input from members welcome, which will inform our future policy positions.

12:30pm – meeting start

- Welcomes and introduction to ongoing Government workstreams (10 minutes)
- Update from OLEV (20 minutes including discussion on key themes including the Spending Review, Project Rapid, and the Consumer Experience consultation) (invited)
- General discussion on the spending review
- COVID, Lockdown 2.0 and REA activities
- Update on PAS 1878 and Flexr
- Rapid Charging Fund – joint letter to OLEV (REA)
- Consumer Experience of Public EV Charging Consultation update (REA)
- Smart Charging and Building Regulations Consultations update (REA)
- Update on the work of the EV Energy Taskforce 2.0
- Discussion on collaboration with the British Parking Association
- EV Consumer Code and EV Roam updates
- Note on Charge Point Professional training courses
- Update on REA Strategy Development & Business Planning (REA)

2:30pm – meeting close
