

Agenda - REA EV Forum Ad-Hoc Grid Connections Working Group member meeting

Meeting Date: Thursday, 10th December 2020 from 1:00pm to 2:00pm

Agenda – V1

Location: meeting conducted via Microsoft Teams. Register online [here](#).

Pre-reading material

This working group meeting will discuss and provide input on the key issues that the REA will advance with BEIS and Ofgem ahead of their forthcoming respective EV Infrastructure Strategies.

For details on Ofgem's thinking to date, see their Decarbonisation Action Plan ([link here](#)).

Members can also view the Government's National Infrastructure Strategy (published November 2020) [here](#).

Agenda

1:00pm meeting start

- Welcomes and introduction – Tanya Sinclair of ChargePoint and REA EV Forum Chair (5 minutes)
- Overview of REA work in this area to date
- Discussion of key themes identified for advancement so far
- Open discussion on additional key issues REA should be advancing
- Development of a broad campaign strategy & identification of key 'lead' members on this area.

2:00pm meeting close

Contact

With questions, contact Daniel Brown at the REA – EV@r-e-a.net
