Agenda – V1

Location: meeting conducted via Microsoft Teams. Register online [here](#).

Pre-reading material

- Government's Consumer Experience at Public Chargepoints consultation ([here](#))
- OZEV slides on the Consumer Experience consultation as presented to members at the full EV Forum meeting on 24th February 2021 ([here](#))
- REA's agreed Roaming positions (as of September 2020) ([here](#))
- REA's pre-consultation submitted to Minister Rachel Maclean and discussed with her at a roundtable (June/July 2020) ([here](#))

Background

Government is consulting on a major series of potential interventions in the UK public EV charging sector, including on the themes of maintenance, payment access, payment transparency, and data sharing. This workshop is to further develop member positions ahead of the production of a draft consultation response (which will be circulated and open to further comment).
