

HYDROGEN₂ CONFERENCE

6th November 2024

An REA Conference hosted by Evershed Sutherlands
London, EC2V 7WS

SPONSORSHIP OPPORTUNITIES.

The 2024 Hydrogen Conference offers an unparalleled opportunity for industry leaders, government officials, and innovators to come together and examine the latest developments in the hydrogen sector. Given hydrogen's anticipated key role in achieving the net-zero goal, this event is especially important.

With the Government's 'Hydrogen Allocation Round 1 and 2' ongoing, hear from Government and industry practitioners and gain insights from those at the cutting edge of delivering our future Hydrogen ecosystem. Join us to network with the industry and learn about what we can expect from Government as they look to develop policies to support the decarbonisation journey as well as the impact hydrogen will have on the future.

Email Amalia Moca - amoca@r-e-a.net to discuss the potential sponsorship options.

Our exciting agenda will cover a range of topics including:

- Hydrogen into the future- uses policies and addressing the issues and challenges
- Hydrogen in Transport
- Moving Molecules - Discussion on the best and most feasible way to move hydrogen around the UK
- UK hydrogen production timeline
- The Challenges of meeting the UK's hydrogen ambitions

Join us at the forefront of the hydrogen revolution as we delve into the future of energy.
